

# Just When I Needed You most

Performed by: The Valley Boys

Intro: G Bm G7 C

You [G] packed in the morning, I, [Bm] stared out the window  
and I [G7] Struggled for something to [C] say  
You [C] left in the rain without [G] closing the door  
[D7] I didn't stand in your way

Now [G] I miss you more than I, [Bm] missed you before  
And where [G7] I'll find comfort God [C] knows  
'Cause [C] you [G] left me, [D7] just when I needed you [G]  
most  
Yes [C] you [G] left me, [D7] just when I needed you [G] most

Now [G] most every morning I, [Bm] stare out the window  
And I [G7] Think about where you might [C] be  
I've [C] written you letters that [G] I'd like to send  
[D7] If you would just send one to me

Now [G] I need you more than I, [Bm] needed you before  
And Where [G7] I'll find comfort God [C] knows  
'Cause [C] you [G] left me, [D7] just when I needed you [G]  
most  
Yes, [C] you [G] left me [D7] just when I needed you [G] most

You [G] packed in the morning, I, [Bm] stared out the window  
and I [G7] Struggled for something to [C] say  
You [C] left in the rain without [G] closing the door  
[D7] I didn't stand in your way

Now [G] I love you more than I, [Bm] loved you before  
And where [G7] I'll find comfort [C] God knows  
'Cause [C] you [G] left me, [D7] just when I needed you [G]  
most  
[C] You [G] left me, [D7] just when I needed you [G] most  
Oh, [C] you [G] left me, [D7] just when I needed you [G] most
