

MISTAKES

by Leslie Nicholls (1928)

(and more recently sung by Mandy Barnett in 1999)

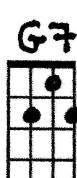

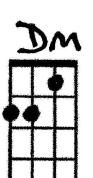

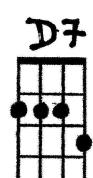

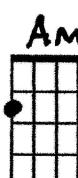

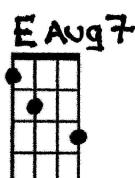

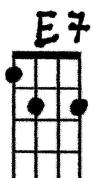

(strum pattern: d-dudu d-dudu)

INTRO: [C] [CMaj7] [F] [C] [Fm] [G7] [C]

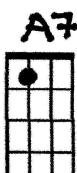

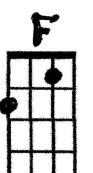

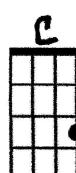

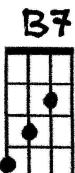

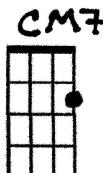

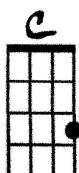

We make mistakes when we worry

All over nothing at all.

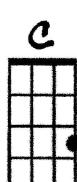

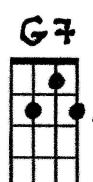

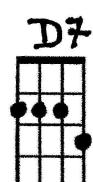

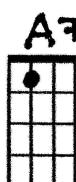

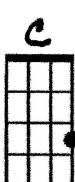

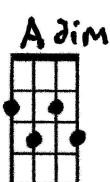

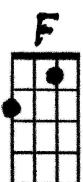

We make mistakes that bring heartaches and the teardrops fall like raindrops.

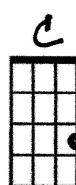

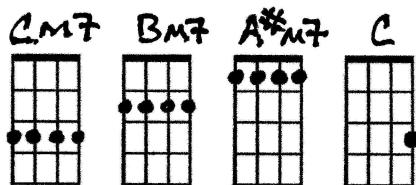

We make mistakes and feel sorry

When we've made somebody blue.

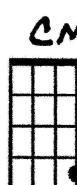

But I made the greatest mistake of them all When I said goodbye to you. (repeat)
