[D] You and me were gabbin' away Dreamy conversation sittin' in the [A7] hay Honey, [D] how long was I laughing in the [G] rain with you 'Cause I [D] didn't feel a drop 'til the [A7] thunder brought us [D] to

#### **Refrain 2:**

[D] You and me underneath the roof of tin
Pretty comfy feelin' how the rain ain't leakin' [A7] in

'Cause the [D] way it makes you look makes me [A7] hope it rains some [D] more
