

# That's How I Got To Memphis

written by Tom T Hall

Key: C

If you [C] love somebody e-[F]-nough you  
You [C] follow wherever they go  
That's how I got to [Dm] Memphis  
[F] That's how I got to [C] Memphis

If you [C] love somebody e-[F]-nough  
You'll [C] go where your heart needs to go  
That's how I got to [Dm] Memphis  
[F] That's how I got to [C] Memphis

I [G] know if you've seen her  
You'd [F] tell me cause you are my [C] friend  
[G] I've got to find her  
And [F] find out the trouble she's [C] in [G]

If you [C] tell me she's not [F] there  
I'll [C] follow the trail of her tears  
That's how I got to [Dm] Memphis  
[F] That's how I got to [C] Memphis

[C] She would get mad and she'd [F] say  
She'd go [C] back to Memphis someday  
That's how I got to [Dm] Memphis  
[F] That's how I got to [C] Memphis

I [C] haven't eaten a [F] bite  
I haven't [C] slept for three days and nights  
That's how I got to [Dm] Memphis  
[F] That's how I got to [C] Memphis

*[SOLO]*

[G] I've got to find her  
And [F] tell her that I love her [C] so  
[G] I'll never rest till I [F] find out why she had to [C] go [G]

[C] Thank you for your precious [F] time  
Please [C] forgive me If I start to cry  
That's how I got to [Dm] Memphis  
[F] That's how I got to [C] Memphis
