

That's How I Got To Memphis

written by Tom T Hall

Key: C

If you [C] love somebody e-[F]-nough you
You [C] follow wherever they go
That's how I got to [Dm] Memphis
[F] That's how I got to [C] Memphis

If you [C] love somebody e-[F]-nough
You'll [C] go where your heart needs to go
That's how I got to [Dm] Memphis
[F] That's how I got to [C] Memphis

I [G] know if you've seen her
You'd [F] tell me cause you are my [C] friend
[G] I've got to find her
And [F] find out the trouble she's [C] in [G]

If you [C] tell me she's not [F] there
I'll [C] follow the trail of her tears
That's how I got to [Dm] Memphis
[F] That's how I got to [C] Memphis

[C] She would get mad and she'd [F] say
She'd go [C] back to Memphis someday
That's how I got to [Dm] Memphis
[F] That's how I got to [C] Memphis

I [C] haven't eaten a [F] bite
I haven't [C] slept for three days and nights
That's how I got to [Dm] Memphis
[F] That's how I got to [C] Memphis

[SOLO]

[G] I've got to find her
And [F] tell her that I love her [C] so
[G] I'll never rest till I [F] find out why she had to [C] go [G]

[C] Thank you for your precious [F] time
Please [C] forgive me If I start to cry
That's how I got to [Dm] Memphis
[F] That's how I got to [C] Memphis
