

Chorus

Away across the ocean they did send the cat at last  
Vessel only out a day and taking water fast  
People all began to pray, the boat began to toss  
A great big gust of wind came by and every soul was lost

Chorus

They gave the cat to a man in a balloon  
And told him to give him to the man in the moon  
But the balloon it busted and everybody said  
Ten miles away they picked the man up dead

Chorus

At last they found a way this cat to really fix  
They put him in an orange crate on highway 66  
Come a ten ton truck with a twenty ton load  
Scattered pieces of that orange crate a mile down the road
