

# THE LUCKY ONES

by Lana Del Rey (first note "A")

[Dm] Let's get out of this town, baby we're on [Gm] fire  
[C] Everyone around here wants to be going [F] down, down, down  
[Dm] If you stick with me, I can take you [Gm] higher, and higher  
[C] It feels like all of our friends are lost  
Nobody's [F] found, found found  
[Gm] I got so scared, I thought no one could [C] save me  
[Gm] You came along scooped me up like a [C] baby

Chorus:

[F] Every now and then, the stars [C] align  
Boy and girl meet by the great [Bb] design  
Could it be you and [Dm] me are the [C] lucky ones?

[F] Everybody told me love was [C] blind  
Then I saw your face and you blew my [Bb] mind  
Finally, you and [Dm] me are the [C] lucky ones this [F] time

[Dm] Bugging into my car, gotta bad [Gm] desire  
[C] You know that we'll never leave if we don't get out [F] now, now, now  
[Dm] You're a crazy con and you're a crazy [Gm] liar, but baby  
[C] Nobody can compare to the way you get [F] down, down, down  
[Gm] I tried so hard to act nice like a [C] lady  
[Gm] You taught me that it was good to be [C] crazy

[Chorus]

[Dm] It feels like, it feels like, you know, it feels like  
Falling in [Bb] love for the first time  
[Dm] It feels like, you know, it feels like  
Falling in [C] love...

[Chorus] and fade
