

TWILIGHT TIME

G **B7**
 Heavenly shades of night are falling, it's twilight time,
Em7 **G7**
 Out of the mist your voice is calling, it's twilight time.
C **Cm** **G** **E9**
 When purple coloured curtains mark the end of day,
A9 **D11** **D7**
 I hear you my dear at twilight time.

G **B7**
 Deepening shadows gather splendour as day is done.
Em7 **G7**
 Fingers of night will soon surrender, the setting sun.
C **Cm** **G** **E9**
 I count the moments darling, 'till you're here with me,
A9 **D7** **G**
 Together at last at twilight time.

B7 **Em7**
 Here in the afterglow of day we keep our rendezvous beneath the blue,
A9 **D7** **Eb7 D7**
 Here in the sweet and same old way I fall in love again as I did then.

G **B7**
 Deep in the dark your kiss will thrill me like days of old,
Em7 **G7**
 Lighting the spark of love that fills me with dreams untold.
C **Cm** **G** **E9**
 Each day I pray for evening just to be with you,
A9 **D7** **G**
 Together at last at twilight time. *Repeat last line slowly*
