To-[G]night you're [Em] mine com-[C]pletely [D]

[G] You give your [Em] love so [C] sweetly [D]

To-[B7]night the light of [Em] love is in your eyes

[C] But will you [D] love me to-[G]morrow?

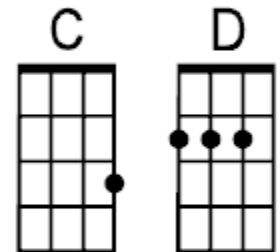

[G] Is this a [Em] lasting [C] treasure [D]

[G] or just a [Em] mo-ment's [C] pleasure [D]

Can [B7] I believe the [Em] magic of your sighs?

[C] Will you still [D] love me to-[G]morrow?

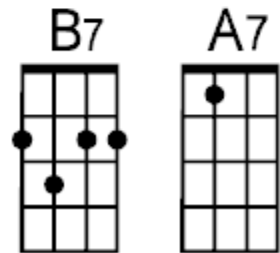

To-[C]night with words un-[G]spoken

[C] You say that I'm the only [G] one

[C] But will my heart be [G] broken

When the [A7] night meets the morning [D] sun?

[G] I'd like to [Em] know that [C] your love [D]

[G] is love I [Em] can be [C] sure of [D]

So [B7] tell me now, and [Em] I won't ask again

[C] Will you [D] love me to-[G]morrow?

[C] Will you [D] love me to-[G]morrow?

[C] Will you still... [D] love me... to-[C]-mor----[G]-row? [fade]
